

# WE NEED YOUR HELP!

Good friends of ours and fellow black belt, Bill Harmon and family, lost their home Tuesday February 16<sup>th</sup> to fire. Their home was completely destroyed. Their son Trevor was at home asleep when the fire broke out yesterday morning, he escaped with burns to his hands and feet. He is currently at UNC Hospital in the burn unit. The only thing they salvaged was what they were wearing, they lost everything! Bill and Cyndi run a dog rescue business and lost four of their dogs, don't know if they were their personal dogs or rescues.

What we need from you is clothing (new and used in good shape), furniture, bedding, toiletries, coats, but most of all GIFT CERTIFICATES (to Wal-Mart, Target, grocery stores, restaurants, etc.) and money! Gift certificates to Pet Smart, Veterinary, or the like would be good so they can still feed their dogs. Their names and sizes are below:

Bill - shirt Lg. - pants 32/32  
Cyndi - Med./Lg. - pants 10/12  
Trevor - shirt Lg. - pants 31/34-36  
Brandon - shirt Med. - pants 31/32  
Logan - shirt and pants 12/14  
Blake - shirt and pants 7/8

Of course donations of electronics, games, toys, etc. will also be greatly appreciated!
